## **New Education Committee Video Series – 31 for 31**

Brothers and Sisters,

Beginning August 1 and continuing throughout the month will be our new video series 31 for 31. Each day a new one-minute video will be released highlighting the main points in each of the 31 articles in our Gold Book contract. 31 articles in 31 days.

This video series was produced with the intention to broaden our outreach to members who utilize social media as a means of gaining contract knowledge and will be posted to our social media platforms and YouTube channel daily at the links below.

Coming up on Friday, August 1, Article 1 – Purpose of the Agreement.

As always, the language in the C.B.A. is the determining factor when holding the Company accountable for contract violations and understanding our rights and responsibilities. We encourage all members to keep a copy of the agreement, which is available on the [website](#), and defer to the language in the contract when questions arise. Any further questions regarding contractual language should be directed to your official Station Union Representatives for clarification.

In Solidarity
