Brothers and Sisters,

I wanted to share with you an update on two topics that we have been getting a lot of questions about and now have more definitive answers for.

Firstly, I have just been informed by the Company that the “Gold Book” Collective Bargaining Agreement has been printed and is ready for shipping.

As a reminder, this is a contractually bound obligation for the Company:

Article 18 General and Miscellaneous

E. Copy of Agreement. The Company shall provide each Employee covered by this Agreement with a copy of the Agreement, printed and bound in a booklet with reasonable print size, bearing the Union logo. The Company shall also supply the Union Office with fifty (50) extra copies.

Station Managers are responsible for ordering and distributing the Contract. Your District Representatives will be following up with all stations to ensure that this is done in a timely matter.

Secondly, TWU Local 555 Committee positions are being opened for Members to submit letters of interest. As of today, the Education Committee and the Future Leaders Organizing Committee have posted announcements via email, social media, and the website www.twu555.org.

Please continue to monitor those platforms as more positions will be posted.

In Solidarity,

Abilio Villaverde
President
